

The Garden City Friends of STEAM (GCFFS) is a 501(c)3 non-profit organization established in 2015 to promote and support robotics and STEAM (Science, Technology, Engineering, Arts, Math) education, programs and activities for the students in the Garden City School District and community.

Funds raised will be used to supplement STEAM programs in our schools, support Garden City robotics teams (robots and robot related equipment, team uniforms, competition entry fees and transportation), offer a STEAM scholarship in the high school, and promote STEAM programs in Garden City.

Funds are raised through numerous sources, including membership, private donations, corporate contributions, grants and public support. Contributions are tax deductible to the full extent of the law.
